The LRQA logo, consisting of the letters "LRQA" in a bold, black, sans-serif font, with a stylized green and blue wave graphic integrated into the letter "A".

A handwritten signature in blue ink, likely belonging to a representative of Lloyd's Register Rotterdam.

A PERS certificate is the confirmation that the PERS requirements have been evaluated and met. However, because the review is based on third hand information, a PERS certificate is not a value judgement of the port environmental management system and its performance, since these have only been evaluated on the basis of documents supplied by the port.
